GENERAL INFORMATION

ACADEMIC STANDING A student's academic standing is determined by grade point average (GPA). A grade point average of 2.0 indicates a "C" average, a 3.0 indicates a "B" average, etc.

Certain designated courses, e.g. co-curricular courses, fieldwork, field tours, workshops, theses, supervised teaching and similar courses are graded Credit (CR) or No Credit (NC). The Credit grade will equate to a grade of A, B or C level of competency for undergraduate courses and a grade of A or B level of competency for graduate courses. Beginning Fall 1985, the University uses a plus/minus grading system for letter grades. The grade of C- equates to a Credit for undergraduate courses and the grade of B- equates to a Credit for graduate courses.

A maximum of 70 semester units may be accepted from community colleges toward the undergraduate degree.
